

The **SALMTEC** Connector...

Wishing you the very best in 2023!

SALMTEC FUN FACT for Professionals!

If you are a member of a professional organization, you may be in the process of tallying up your professional development hours. If you need to get in a few more hours, SALMTEC's online on-demand courses allow you to do professional development any time of day or night! Our courses come in various lengths, from snackable learning that's about an hour long to more in-depth courses that are 8 to 20h in length.
