Wetland Policy Basics Course

Fee: \$35 (plus GST)

This short online course was designed for anyone interested in Alberta's wetlands, and will teach:

- what a wetland is and how it is classified
- tips and direction on how to identify wetlands
- a basic understanding of the regulatory requirements for activities in a wetland
- an understanding of the Wetland Policy and how it is implemented in Alberta

Course Format:

- This course consists of four 15-minute online modules with activities and quizzes to test your knowledge
- Course will be available for six months from registration.
