SALMTEC FUN FACT!

Did you know...

That SALMTEC has a new blended course called **Biophysical Foundations**? This new offering combines several of our most popular courses to provide a guided tour of the foundations of an environmental assessment. This course runs between 21 and 24 hours and meets eligibility requirements for the Canada-Alberta Job Grant! For more information on the Canada-Alberta Job Grant [CLICK HERE](#). Some of the information you will need to apply for the Canada-Alberta Job Grant is in the Biophysical Foundations [course outline](#)
