

The **SALMTEC** Connector

... a compilation of applied science and land management events across a variety of sectors and disciplines...

SALMTEC's Fun Facts:

- Did you know that many indicators of wetland extent, classification and function are derived from satellite imagery? Learn about how geospatial data is used to assess wetland functions in SALMTEC's ABWRET-A Blended Course, the only one of its kind! [Fall 2024 registration](#) now open.

What's coming up in the next month?

As the larches turn a beautiful shade of yellow before they fall off, coating the ground in a golden carpet, check out what's coming up in the next month.
